

COME ALIVE BIBLE APPLICATION WEEK 2

COME HOLY SPIRIT

Memory verse:

“And if the Spirit of him who raised Jesus from the dead is living in you, he who raised Christ from the dead will also give life to your mortal bodies because of his Spirit who lives in you.”
(Romans 8:11 NIV)

1. Sometimes people’s misunderstanding or unfamiliarity with the Holy Spirit hinders them from receiving the vital role He plays in our lives. Can you recall any misconceptions you had? How has God helped you to understand, in a more personal way the powerful role the Holy Spirit is to have in your life?
2. Can you think of an example where Holy Spirit helped you in one of the following ways:
 - a. Prompted you in a way that guided you to avoid danger, or to discover and understand something life-changing God had provided for you
 - b. Brought you unexplainable peace or joy in the middle of a hard situation
 - c. Allowed you to experience God’s healing in your soul or body
 - d. Anointed you to help others with words, comfort, deliverance, or power that you know didn’t come from you
3. We learned that God wants to give us a fresh impartation of the Holy Spirit that leads to a fresh visitation of the Holy Spirit, for us and through us to those around us. The keys we talked about were *moving up* in our faith and desire, *moving out* (exhaling) the bad air that chokes us, and *moving over* from controlling the steering wheel of our hearts and letting Him call the shots.
 - a. What gives us an attitude of faith and expectancy that Holy Spirit will come and do what He said? What does it mean to confidently ask?
 - b. How can we have more of a desire for the Holy Spirit in our lives? Which of the following might the Lord want us to do today?
 - Recognize that our deepest desire really is a hunger for God
 - Exhale substitutes to make room for more of His presence
 - Totally surrender and let Him call the shots in an area where we naturally feel like we want to be in control
4. Write a prayer inviting Holy Spirit to have complete possession and bring a complete filling into your life. Take some time praying with and for each other to have a fresh impartation.
