

PTM LIFE GROUP LESSON WEEK 6 SETTING A TABLE FOR MIRACLES

Memory Verse: *“But God has chosen the foolish things of the world to put to shame the wise, and God has chosen the weak things of the world to put to shame the things which are mighty.”*
(1 Corinthians 1:27 NKJV)

Introduction/Ice Breaker

1. Dale shared that he believed the Lord was giving a word that He was “Setting a table before us in the presence of our enemies.” Can you share one way you have seen the Lord provide for you spiritually, emotionally, physically or relationally, even during this pandemic when there has been a lot of lack and the enemy bringing a lot of sadness?
2. What thoughts, assumptions or lies from the enemy have tried to convince you that you are not qualified or capable of God using you in a powerful way? How does it encourage you to realize that God has always used people who are weak, goofy, or in some way have issues? Why is it important to believe that God can do great things with little gifts and people simply willing to be obedient?
3. Have you ever felt that God gave you a burden to see some need met or some wrong made right? Have you noticed that God invites us to take responsibility and ownership for something we don’t have the capacity to accomplish or handle on our own? Why do you think God does this? What does He want us to learn from this?
4. Can you give an example when God moved you to think and care about the needs of others and gave you the gifts, creativity, and miracles to accomplish what you couldn’t have done on your own?
5. God does miracles when we see a need, take a step and sow a seed. What is an example of some area that you feel burdened and need a miracle? What kind of seed could you sow in this area?
6. Every new miracle, breakthrough, and opportunity that God has for your life is somewhere outside your comfort zone. What major area do *you* need God to give you special grace to get beyond your comfort zone?
 - a. Risking failure
 - b. Overcoming a hesitancy to talk in front of people
 - c. Having to learn some new skill you aren’t comfortable with
 - d. Attempting something you’ve never tried before
7. Describe an area of your life where God wants you to start preparing on the inside for a miracle? Where do you need to start to move from an “impossibility” way of thinking to a “possibility” way of thinking?
