Scriptures

James 1:22-24

Mark 1:40

Hebrews 11:1-2

On Mother's Day we are bringing a message of Hope. The prophetic word is "don't quit, don't give up, don't give in, don't run, don't hide, and oh, don't quit". This message is about resetting your Mirrors (perspective). The way you see God and the way you think He sees you says everything about your today and your tomorrow. God's mirror has no Cracks. And His Mirror is His words and His whispers. Our Mirror has been cracked or even shattered by life's circumstances and lies and assumptions and expectations. It is certain that God's Mirror (His Perspective) has the power to rewrite stories and change hearts.

Questions...

Do you have an embarrassing mirror moment? A time you failed to look twice in the mirror and had pepper in your teeth or the wrong shoes or your shirt inside out or...?

Have you noticed a habit that shapes your perspective (mirror)? Do your circumstances trip your thinking? Or do lies frequently chase you down?

Identify one thing that messes up your perspective (mirror) of God that you want help with.

What could be a word or a whisper from Jesus that changes your perspective (mirror)?

What is one thing you can do today that would be a step forward in faith and trust?
