

ENCOUNTERS WITH GOD LIFE GROUP
SESSION - 2
HOLY SPIRIT

Main Point: Sometimes we just run out of fuel. Relationships, hard circumstances, problems, sin; all these things run us dry and life gets hard to ride. There is a never ending and always running fuel that is available to you and all who want it. There is an encounter that can forever change your walk and talk. It can change our perspective on life and the way we do life. AN ENCOUNTER WITH HOLY SPIRIT.

Ice Breaker: What's the first thing that comes to mind when you hear someone mention "Holy Spirit".

1. Misael mentions Peter the apostle as being radically changed by the Holy Spirit. In what way can you identify with Peter before he was transformed by the power of the Spirit of God.
2. Have you had an encounter with the Holy Spirit? If yes, share what you felt and how it changed your life.
3. In what areas do you feel God is asking you to empty yourself?
4. Can you share with the group a time when it took a persistent "ask" to get an answer from God? What did the answer finally look like and feel like when you got it?
5. Ephesians 5:18-20 - *¹⁸ Don't be drunk with wine, because that will ruin your life. Instead, be FILLED with the Holy Spirit, ¹⁹ singing psalms and hymns and spiritual songs among yourselves and making music to the Lord in your hearts. ²⁰ And give thanks for everything to God the Father in the name of our Lord Jesus Christ.*

What does "making music to the Lord in your hearts" mean to you? How has worship changed the atmosphere in your life?

Prayer: Ask Holy Spirit to fill and empower you so that change and transformation to come about your life. Remember, it's not about the manifestation as much as the transformation that really matters when we have an encounter with Holy Spirit. We must bear fruit of what Holy Spirit has done in our lives.
