

## CHAMPIONS SERIES BIBLE APPLICATION PT 4 CHAMPIONS DON'T QUIT

***Memory Verse: "Let this hope burst forth within you, releasing a continual joy. Don't give up in a time of trouble, but commune with God at all times." (Romans 12:12 TPT)***

1. Describe a few common quitting points you've faced in your life. What is one example of a quitting point you were able to crash through? What helped you do that?
2. In this series, we learned that our ability to crash through quitting points is directly linked to the level of hope we walk in. Describe an area of your life where your hope meter is way up and one in which the needle is a bit low right now.
3. Letting Jesus truly be the Way in your life means that you are completely on board with letting Jesus be in control and the Driver of your destiny. What is an example of some ways people choose Jesus plus something else to lean on? Why does this never work?
4. Someone said, "Wherever in our life we lack or lose hope, we can be sure there is a lie that we are believing and ground that we are giving to the enemy". What is an example of a way the enemy slips a lie past your defenses into your thinking? Circle one of the following lies or list one where you have to be constantly on guard.
  - a. God has turned his back on me
  - b. Nothing will ever change
  - c. No one cares or understands
  - d. Once a failure always a failure
  - e. People are never to be trusted.
5. The Bible says that life is in the blood. How does putting your sins or the sins against you by others under the blood of Jesus, free you to again experience the life of Jesus flowing? How can you tell when the life is flowing or has stopped flowing in your life?
